

HEMMO VATTULAINEN

I am Kitty the Kitten

KalleCat

***Often I play with Mika and Markus from the house next door. Now we are playing with a box.***

***I like wall climbing.  
Just if I could get  
down from here some-  
how...***

***Kitty's Sinfo - I like to jump on the keyboard and so I thought that I could play and compose music. All we need is to press the record button and Kitty's Sinfo is born.***

**Whoops!**

**I only just touched the  
plant pot very lightly!**

**Lazy days to you all!**
